SUMMARY OF INFORMATION

A triangular structure (pyramid shaped) is present and people in the surrounding area are in the plains holding sticks (sketch on page 3). The weather today is cold there. The structure is very linear, vortex in design (see sketches on page 1 and 2). AOL-Beehive storage structures, egg plant. One can go down under and to the top of the triangular patterned structure through a passageway. There is light at the top and an object which receives on the inside. The podium is a platform. the linear dimensions are scientific and mathematical in design. The individual associated with this target is very creative AOL-Frank Loyd Right. He does things his own way and develops scientific theories. He is somewhat exclusive, older and short. The color yellow is associated with this target. AOL-Solar Energy. Sketch on page four "parking" AOL-catacombs.
